1978 MARKED BY STARS AND STRIKES

The nation watched new talent rise to fame and mourned the deaths of entertainers who will live on immortally in the contributions they made to the American society.

"Star Wars" Artoo Detoo captured the hearts of moviegoers. An HHS graduate, Cheryl Ladd, became Charlie's newest angel. The nation was shocked by the death of the king of rock and roll, Elvis Presley. Debby Boone's first single, "You Light Up My Life" was an immediate hit and stayed on top of the charts for many weeks.

Farmers throughout the United States went on strike for 100% parity and threatened to stop planting crops. The United Mine Workers also went on strike and forced President Carter to use the Taft-Hartley Act. The coal workers demanded more pay and better working conditions.

President Carter's first year in office had its ups and downs. His energy package was rejected by Congress, while the Panama Canal's future went unsettled for a time.

All the nation mourned the death of the "Happy Warrior", Hubert H. Humphrey, who died in his home in Minnesota.

PROGRESS AND CHANGES REFLECT ON 1978

The spring of 1978 brought an abundant rainfall for South Dakotans. Flooding occured in many areas in South Dakota, including Huron's Riverside Park.

The St. John Regional Medical Center was sold to the community, and is now run by a board of directors from the Huron area.

A former HHS graduate, Cheryl Ladd, became an "angel" on the popular television show, Charlie's Angels.

Because of the widening of Dakota Avenue, HHS students suddenly found themselves with two "Dakotas": Kansas Avenue and Wisconsin Avenue.

Throughout the school year, construction of the Huron mall and an apartment complex took place directly across from the high school. In mid-winter the apartment complex burnt to the ground but was quickly rebuilt in the spring.

HIGHLIGHTS OF HOMECOMING 1977

The theme for homecoming 1977 was the comic strip "Peanuts." Many activities were held throughout the week. The battle of the classes was held Monday night, with the seniors and the sophomores tying for first. Other events held during the week were a box social, sock hop, and the burning of the "H." The student body chose Kim Lowery and Dale Fodness to reign as homecoming royalty. A parade of homeroom floats was presented during the Friday afternoon pep assembly. Frank Schumacher and Barb Shanks were emcees at the assembly. Homecoming week concluded with the homecoming game and dance on Friday night.

Tiger Follies Is a Tremendous Success

Many talent shows have come and gone at Huron High School, but March 2, 1978, Tiger Follies will probably remain for quite some time in the memories of many Huron residents.

Most entertainment productions fall together in the last minutes of rehearsal and this year's Follies was certainly no exception. However, when this show did fall together, it acquired a special touch of magic and excitement that will distinguish it from any other Tiger Follies that has been performed or will be performed. This special quality is the product of team spirit by the performers and organization by emcees Mary Housiaux and Dave Merkel. Mary and Dave did an excellent job!

The show contained skits, musical acts, dances and imitations. Among the participants in Tiger Follies was the Sophomore Ensemble, Student Senate, Five-man Electron Band, Madrigals, Pacesetters, The Wives of Kiss, Karen Thompson, Donna Colvin, Julie Johanssen, Bill Moran, Tami Erickson, Brown and Olson, the Muilenburg sisters, and DeRoos, Hamilton and VanWyhe.

After the performance, both the audience and the performers left happy and satisfied which made Tiger Follies worth the time and effort.

THIRTEEN JUNIORS REPRESENT HURON AT BOYS' STATE

The thirteen junior Boys' Staters from Huron High School traveled to Northern State College in Aberdeen for a week-long study session in government. Boys' State is a fictitious fifty-first state where the boys learn about government on the city, county and state levels. Each student belongs to a city and lives with the citizens of that city. They run for offices, hear speakers, eye the waitresses, and can either sing, play in the band or participate in sports. All of the Staters operate the governmental aspects of the state. Mark Schade represented HHS in journalism city which reports the happenings of the day through different news media. The 1978 Boys' Staters were, pictured below in front: Dana Brown, Rod Johnson, Dave Graham, Steve Willingham, John Hoyt, Jerry Blow. In back: Brian Nelson, John Schlueter, Mark Schade, Dennis Reilly, Tom Fullerton and Brice Johnson. Not pictured is Tony Huet.

GIRLS' STATERS STUDY GOVERNMENT

Dakota Wesleyan University in Mitchell was once again the site of South Dakota Girls State. This year Huron sent five girls to the state-wide activity. They were, as pictured above, (Left-to-Right) Ann Wendland, Carol Poulisse, Dawn Peterson, Dawn Sorlien and Skyla Wallmann. These five students spent a busy week on the DWU campus. Their activities were much the same.

Both the Girls' and Boys' Staters are selected through interviews by the sponsoring organizations, the American Legion and the Legion Auxiliary.

HHS BAND SHOWS AT ALL-STATE

The 1977-1978 South Dakota All-State Band was held March 30 through April 1, 1978, in Watertown, South Dakota. The guest conductor was a director from St. Olaf College in Minnesota. The musicians arrived in Watertown on Thursday evening and began three days of diligent practice. After practicing all day Friday and Saturday, they presented their concert Saturday evening.

The members were especially fond of this year's selection of music. The honor band played Sousa marches, classical pieces and topped the program with selections from the Broadway musical "The Wiz."

Huron High's music department was also very pleased with the chair placement this year. Four Huron students earned first chair positions: Jean Hirtzel, Trombone; Kim Korthals, Baritone Saxophone; Kellie Feller, Alto Clarinet; and Steve Larson, Percussion.

Dr. Warren Hatfield, from SDSU was an honored guest and played along with the band. Doug Almond was also featured on bass, and Tom Fritts on piano.

The Concert Band was also lucky this year, as they performed for the Band Master's Association in Brookings, on February 11. It was quite an honor for the band, as only a few bands are selected to play at the convention. It was indeed a show that displayed the many fine musicians that HHS had.

CONCERT CHOIR TALENT AND

Seventy singers composed the 1977-78 H.H.S. Concert Choir. It was one of the largest choirs Mr. Pietz has directed at Huron Senior High. A large choir always proposes several problems that must be dealt with. However, this choir overcame many of these barriers. The choristers enjoyed a year of achievements, new learning experiences and hard work.

Concert Choir performed their two traditional home concerts at Christmas time and in the spring. In addition to these performances, the singers also sang for the South Dakota American Choral Directors Association at South Dakota State University in Brookings, South Dakota on February 9, 1978.

They received many well-deserved compliments on their performance, which was highlighted by a contemporary piece called "Agnus Dei." The chorus' other activities throughout the year included a spring tour and the Pops Concert in May. Many choir members also participated in the Region IV music contest at Aberdeen. The piano accompanists for the 1977-78 school year were: Terri McManus, Laurie Trinko, Dave Merkel, and Frank Schumacher. HHS Talent Revealed at All-State Chorus

The Sioux Falls Arena was the site of the 1977 South Dakota All-State Chorus held November 1-2. The group was composed of approximately 800 singers. Dr. B. R. Henson from Oklahoma conducted the two-day festival.

The sixteen Huron representatives stayed at the Holiday Inn where they had a pool, a sauna and a whirlpool to help them unwind after diligent rehearsals across the street. They also made enough late night noise to wake up a certain director we all know.

The choir practiced two full days and performed a concert on Saturday night. They sang many different styles of music including several combined numbers with the All-State Orchestra, which was held the same time as the chorus.

Two Huron students received special acknowledgments at All-State Chorus. Huron bass Bill Moran was chosen as one of three finalists for a solo in a negro spiritual. Another Huron student, Frank Schumacher, was recognized for his official 1977 S.D. All-State Chorus and Orchestra design which was used on T-shirts and sold by Terri McManus and JoLynne Muilenburg who also made the trip.

HHS Represented at Honors Choir

The 1977 South Dakota All-State Honors Choir consisted of 150 high school singers under the direction of Dr. H. Skinner from the University of Northern Colorado. Ten of these singers were from Huron High's concert choir.

The Honors Choir members were chosen through a written test on music terminology and an audition including a prepared solo and sight singing. Admission to the chorus was highly competitive. Consequently, H.H.S. was very fortunate to have ten members.

The singers' repertoire encompassed a variety of music. They performed a spiritual, a madrigal, sacred and humorous music. The highlight of their program was a Mozart piece incorporating a string ensemble and a solo quartet with the choir. Although Huron had no representatives in the solo quartet, Lynn Loesch, Dana Brown and Frank Schumacher were selected as solo finalists.

Last summer's Honors Choir was conducted as a week-long camp in July at Sioux Falls College in Sioux Falls.

1. Conductor Skinner's fiery spirit and enthusiasm kept the choir on their toes all week.
2. The monkeys at Great Plains Zoo poke fun at Frank and John.

Both choruses also prepare for their two concert appearances throughout the year at Christmas and in the spring. "Come Blow Your Horn" Reveals HHS Dramatic Talent

Alan contemplates the telephone and wonders which girlfriend will call next.

Seven enthusiastic young actors and actresses presented this year's fall drama production of "Come Blow Your Horn". This Neil Simon comedy exposed the trials and tribulations of Alan, a young man whose love for Connie suppressed his carefree playboy life style; of Buddy, who, after moving in with brother Alan, left his boyhood inhibitions behind to take over with the girls where Alan left off; and of their parents, who were forced to deal with these drastic changes. The H.H.S. drama department concluded their 1977-78 season with the performance of "I Remember Mama" on April 20-22, 1978. In the story, Katrina, played by Nancy Olson, told about her Norwegian family and "Mama" through her skill of writing. Katrina finally realized that the secret to good writing is writing through the heart. Tami Erickson (left) excellently portrayed Mama, who enjoyed keeping her family intact as one unit. The play also introduced three old aunts, a grouchy and loving uncle, a kind male boarder and a Norwegian family who always managed to overcome every obstacle (even chloroforming a cat).

The cast of "I Remember Mama" and Drama Director Hodgin put on an impressive performance.

Second row, left to right, Paula Konst, Ann Meuer, Judy Hofer, Vennette Hofer, and Carol Poulisse. Back row, left to right, Helen McArthur, Deb Castle, Jody Kludt, Sandy Lanam and Donna Podhrasky.

Under the direction of new Head Coach Darel Peterson, the 1977 Girls' Basketball Team had a year of rebuilding. After losing four regular starters, the team had six returning lettermen and one transfer from Lake Andes.

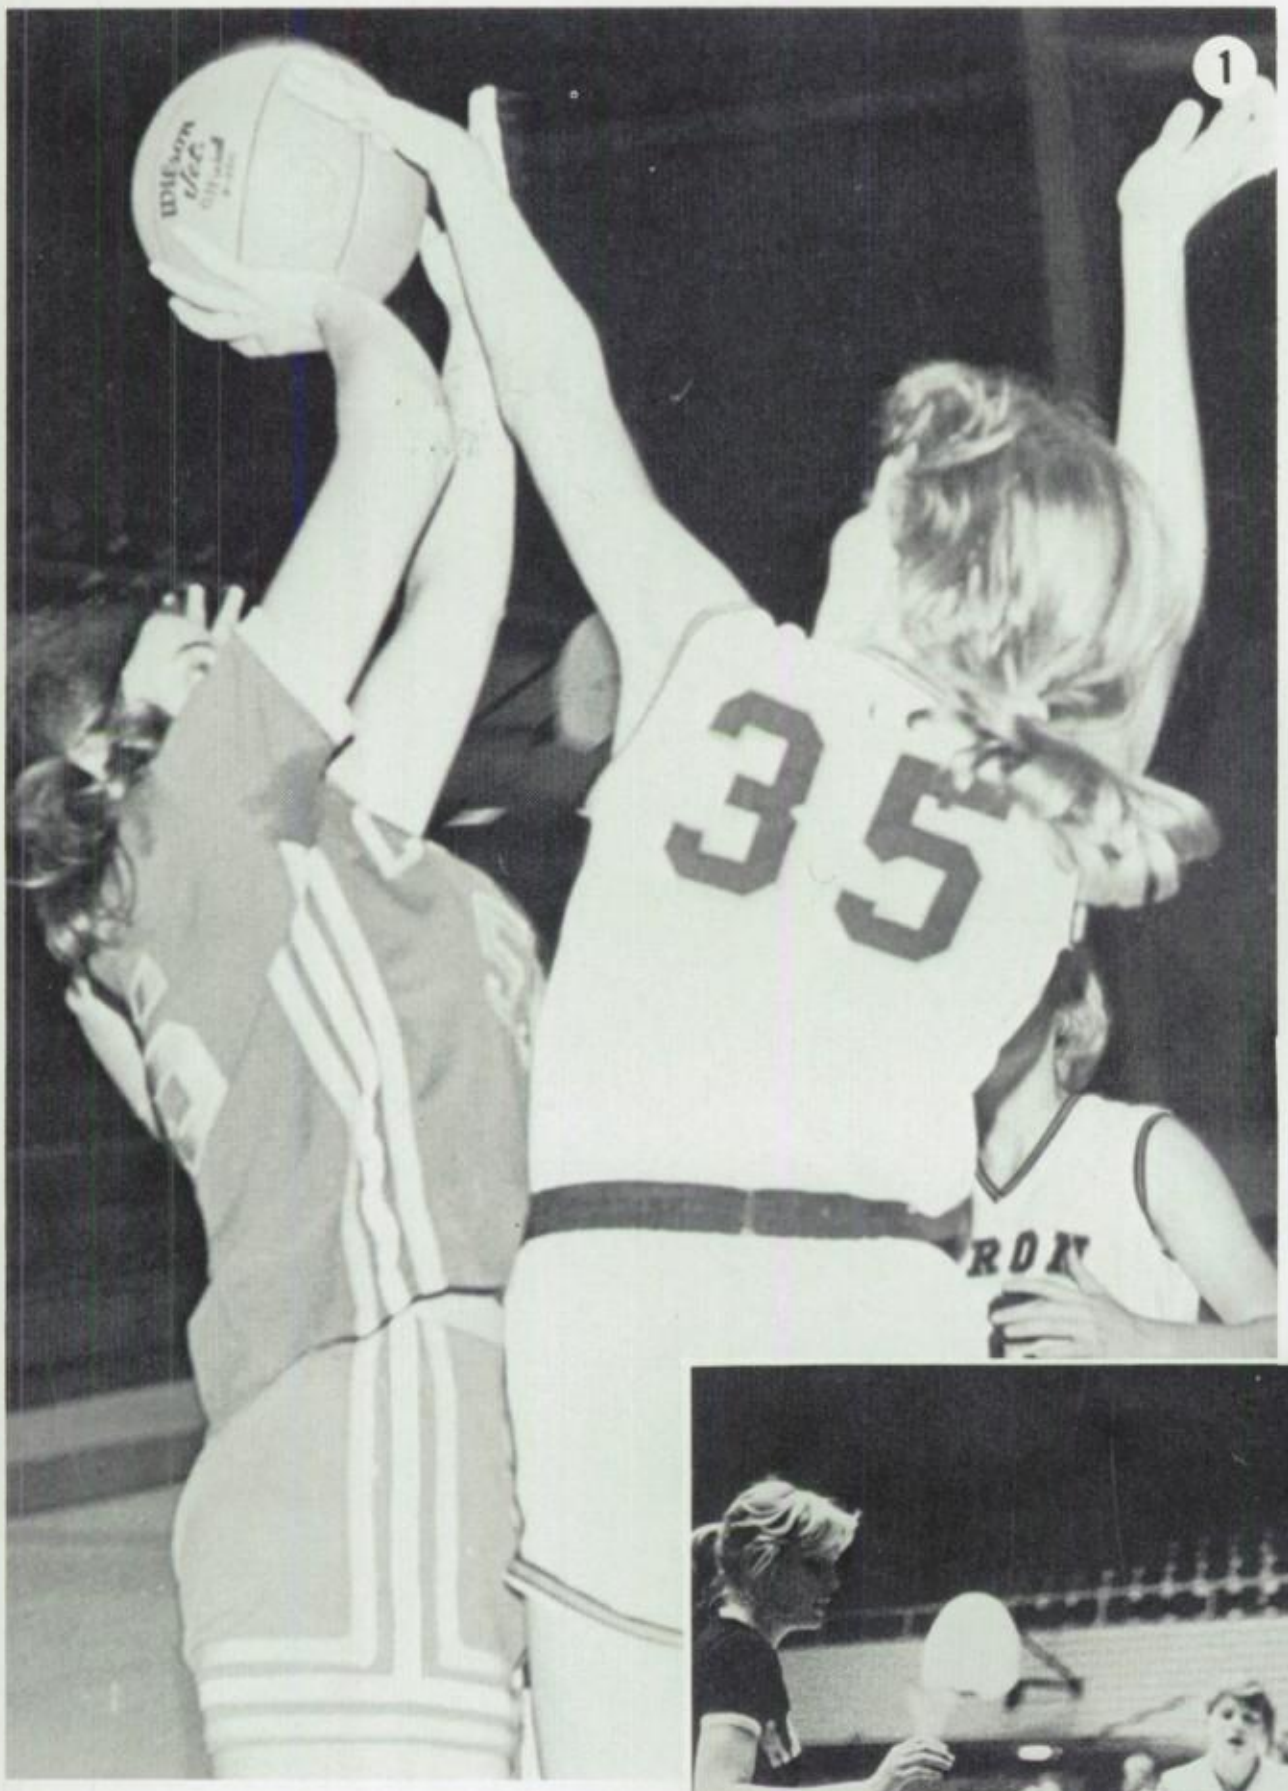
As the season progressed, so did the team. Inexperience was the only problem facing Huron. The first game of the season against Rapid City Central proved to be the test when Rapid beat the girls 40-38 in two overtimes. Huron played many close games losing to Pierre 41-40, Madison 45-44, and Aberdeen 28-26.

Huron's first win came eight games into the season with a victory over third-ranked Brookings. Huron also won games with Miller 38-32, Aberdeen 47-41, and Madison 35-31. Huron lost to Mitchell in the Sectional Tournament at the Arena 44-31.

Coach Peterson saw much action from his top eight players: Seniors Deb Castle and Paula Knost; Juniors Donna Podhrasky, Jody Kludt and Judy Hofer; Sophomores Dorthea Dennis, Sandy Lanam and Margaret Haley. Filling out the roster were: Seniors Helen McArthur, Ann Meuer and LeAnn McFarlane; Juniors Donna Vogele, Carol Poulisse, Kathy Prue and Vennette Hofer.

This year's statistics revealed that Dorthea Dennis had the most points, Sandy Lanam the best freethrow percentage, Donna Podhrasky the most rebounds and Deb Castle the best field goal percentage. Castle was also elected "Most Valuable Player."

Coaches for the 1977 season were: Lorene Sorlien, Junior Varsity; Darel Peterson, Varsity; and Terrye Coffelt, Junior Varsity and ninth graders.



1. Margaret Haley stuffs an Aberdeen Central player.
2. Dorthea Dennis goes for 2 against Mitchell.

With the coming of new coaches, came changes. This year, for the first time in three years, just ninth and tenth graders were on the Junior Varsity team. The Varsity team included seniors, juniors and selected sophomores.

There were six sophomores and eight freshmen on the team, with each person seeing a lot of playing time. Sophomores seeing plenty of action were Mary Haley, Dorothy Watkins, Juli Muilenberg and Laurel Wipf who led the team in both points scored and rebounds.

Four freshmen received much experience throughout the season starting in all the ninth grade games and playing major roles in the junior varsity games. They were: Jolynn Kludt, Carmen Freng, Lori Frey and Kris Balvin.

Also helping out the team at games and practices were Vanessa Gose, Julie Halter, Lori Eilers, Teresa Eddy, Nanette White and Barb Elzey.

Posting a 1-16 record, the JV girls' nonetheless gained valuable playing experience under the able coaching of Lorene Sorlien and Terrye Coffelt.

Huron	14	0	Aberdeen
Huron	6	0	Mitchell
Huron	12	14	Watertown
Huron	14	6	Madison
Huron	0	6	Mitchell
Huron	36	6	Brookings

The sophomore football team under the direction of Coach Bruce Maxwell completed a rough schedule with a very respectable 4-2 record.

The sophomores used a real football offense taking the ball directly into the heart of the opposing defense. As usual, the Bengals mainstay was a bone-crushing defense that made some hits that won't easily be forgotten. The sophomores will be a contributing factor on next year's varsity team.

The girls won several big meets throughout the season with a second place at the Mitchell Invitational and a first place finish at the Huron and Watertown Invitationals. They also captured wins at the Redfield Triangular, and two dual wins over Mitchell.

During the season, the team leaders were: senior, Vicki Coyle, and junior, Carolyn Burison. Close behind were sophomore, Dawn Hindbjorgen and eighth grader, Diane Burnison. Team elections found the "Most Valuable" runner to be Vicki Coyle and the "Most Improved" Donna Holm. Letter winners were Vicki Coyle, Carolyn Burnison, Dawn Hindbjorgen, Donna Holm, Diane Burnison, Gena Gose and Diane Holm. Vicki Coyle, Carolyn Burnison and Dawn Hindbjorgen were all named to the All-State Honor Squad.

The Huron Varsity Cross Country team proved the old adage "Effort Pays Off" true as the 1977 season unfolded.

The team's strength centered on seniors Dave Lang, Tim White, and John Vosler, and under the leadership of Head Coach Roger Loecker, won two dual meets and capped the season with a strong finish in the state AA meet.

The upcoming season looks quite promising with a large group of varsity runners returning; this group will be led by juniors Brian Nelson, Scott Perrenoud, and Rodney Johnson. The gaps created by graduation will be filled by some very impressive junior varsity runners.

TIGERS FINISH 3-9

The Huron Tigers had high hopes for a great season under second-year coach Steve Swisher. The Tigers started practice late in August as a top-ranked team, but met fierce competition and had a somewhat disappointing season.

The Tiger gridders were unsuccessful in their season opener. They battled Sioux Falls Lincoln at Huron Tiger Stadium only to be defeated 21-16.

Huron's first victory came when ESD rival Mitchell traveled to Huron. The Tigers thumped the Kernals 28-14.

After losing in an overtime dual with Brookings, the Tigers journeyed to Aberdeen and came up with a big defensive play to walk away with a 28-27 overtime victory.

The unbeaten Yankton Bucks come to Huron and showed why they were top-seated in the ESD. With a hard hitting offensive attack, the Bucks ran over the Tigers 34-7.

Huron finished the season on a good note by crushing Pierre 20-6, in front of the Governors home crowd.

The 1977-78 Huron Basketball Team found the season long and hard. Under first year head coach Clark Swisher, the team compiled a 5-10 ESD record and a 9-11 overall mark.

Swisher brought the fast break to Huron along with some shooting techniques that helped the Tigers put on a strong spurt at the end of the regular season.

Seniors Dennis Buckland and Jeff DesLauriers provided the leadership necessary for a productive basketball season. DesLauriers, a veteran of three varsity seasons at guard, directed the outside attack, while Buckland, an All-State selection at center, virtually controlled the lane. Buckland ended the season as the state's leading rebounder, pulling down an amazing 16.3 per contest.

Although their record might not show it, the hoopsters, with the help of several presses and good old fashioned hustle, were never out of a game all season long.

Everyone agreed that next year's squad will be the team to beat with several well-weathered underclassmen returning to haunt the arena floor.

Huron fans deserved a great deal of credit for the team's success, as they provided the support and loyalty that made the tough games easier and the season memorable.

Emphasis was placed on an all-out team effort as the young gymnasts came back stronger than ever.

COACH PETERS IMPROVES TIGER WRESTLING

Steve Peters, the new Huron Tiger wrestling coach, was enthused and excited about the outlook for the Tiger grapplers. The Tiger wrestlers were young and lacked experience, but the attitude and atmosphere in the wrestling room was great.

The Tiger matmen gave Peters a winning debut by slipping by defending Class B champions Redfield. 28-27. Dale Westberg, Dave Marlow, Leo Pollock, and Pat Mincer all won by decision. Gaylen Roth and Hobe Richards won by pins.

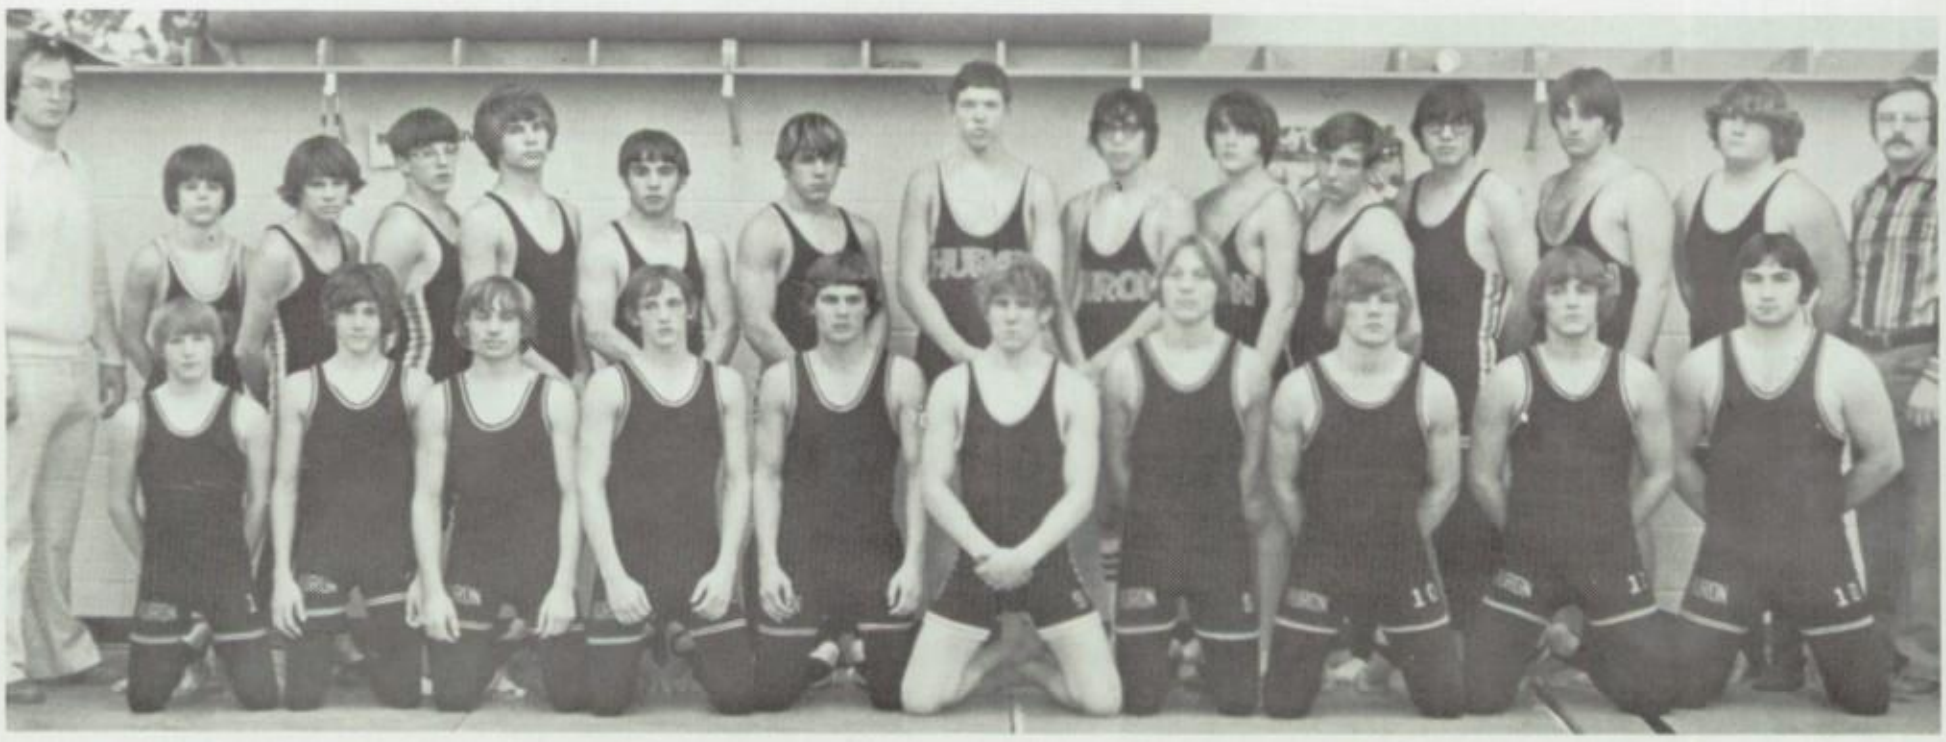
Webster handed Huron a 30-22 loss. In the opening round of the eight team dual meet in Watertown, Huron finished 7th overall with Leo Pollock and Dave Timperley going undefeated.

The Tigers came back in the Brookings Invitational by winning all three of their dual matches, to be named champions of the tournament. Huron posted wins over Brookings, 33-12, over Milbank, 27-23, and over Sisseton, 31-19. After the Brookings invitational, the Tiger matmen traveled to Sioux Falls for the Washington Invitational. The Tigers finished third out of eight teams, with outstanding performances by Leo Pollock, and Gaylen Roth, who were individual champs. The Tigers fell again to Webster, 31-15, in dual competition. Dale Westberg, Bill Harrington, Leo Pollock, and Dave Timperley all had wins.

A lack of pins gave Huron a 23-21 setback against Brookings. Hobe Richards, Dave Timperley, Dale Westberg, Marty Coyle, Gaylen Roth, and Leo Pollock all turned in decision wins for the Tigers.

The Tigers fell in a slump and were defeated in dual meets against Watertown and Sioux Falls Washington. The Tigers won their first two ESD matches by pounding Aberdeen Central, and Yankton. But the Tigers ran into rough roads against Mitchell and fell to a 30-17 loss. The Tigers won ten matches for a 47-10 ESD victory over the Madison Bulldogs.

They clinched a fourth place in ESD by stopping the Pierre Governors, 30-16.



Wrestlers for the 1977-78 season were: Back: Coach Peters, Rori Berg, Mike Kasa, Jim Westerberg, Terry Goehring, Corwyn Glanzer, Jim Pollock, Bob Kale, Andy Gross, Jim Anderson, Terry Halse, Chris Gross, Monte Reimer, Nathan Hammers and Coach Wendt. Front: Dale Westberg, Buddy Curry, Dave Marlow, Randy Westberg, Hobe Richards, Leo Pollock, Randy Kleinsasser, Pat Mincer, Bill Harrington, and Dave Timperley.

TIGER THINCLADS BREAK RECORDS

Track team members for the 1977-78 season were, first row: Dave Lang, Dennis Buckland, Kevin Morsching, Jerry Hofer, Brad Simmons, Jeff DesLauriers, Tim White, Tim Wilson, Duane Haugen. Second row: Dean Donnell, Ken Wiebelhaus, Sam Prue, Andy Konst, Brady Hastings, Daryl Deneke, Jeff Miller, Roy Tschetter, Steve Butler, Charles Schultz. Third row: Kelly Lanam, Jim Gilmore, Doug Cummings, Brian Nelson, Dan Christensen, Rod Johnson, Brian Jenner, Don DesLauriers, Roger Barnes. Fourth row: Keith Nelson, Dave Fischer, Jim Westerberg, Doug Hortness, Jeff Paulson, Kirk Damman, Sam Byrd, Andy Kool, John Zwanziger. Fifth row: Paul McMarting, Ross Milliken, Monte Reimer, John Hittle, Brian Beach, Rod Hook, and Eric Harris.

Tiger tracksters coached by head coach, Leroy "Buzz" Stevenson, had a very successful season but lacked depth in the long run.

The Tiger sprinters paved the way for the Tiger's numerous victories including: Aberdeen, Groton and Huron Triangulars, Pierre Dual, Mitchell Dual, Madison Invitational, Huron Invitational, ESD, for the third consecutive year, and top honors at the Region IV track meet. The Tigers also placed third in the State Track Meet held in Rapid City.

The Tiger track team was led by 220-yard dash champion, Duane Haugen and other speedsters who contributed heavily to the Tiger's success including members of the 880 yard relay team: Jeff DesLauriers, Steve Butler, Roy Tschetter, and Duane Haugen.

The Tigers broke several school records throughout the season. Kelly Lanam broke the state record for the high jump while other records were broken by the 880 yard relay team, Duane Haugen in the 100 yard dash, and Kelly Lanam in the triple jump.

The 1977-78 Junior Varsity basketball team cruised through the season to finish with an amazing 10 and 1 record.

Coached by Bruce Maxwell, the team played an exciting brand of basketball, featuring lightning fast breaks and sticky presses that gave opposing coaches gray hair.

The J.V.'s manhandled all of their opponents with a perfect record until a second half rally by Mitchell dimmed the lights on their goal of a perfect season. Coach Swisher can sleep peacefully knowing the J.V.'s will be back in a year, only this time they'll be wearing varsity orange and black.

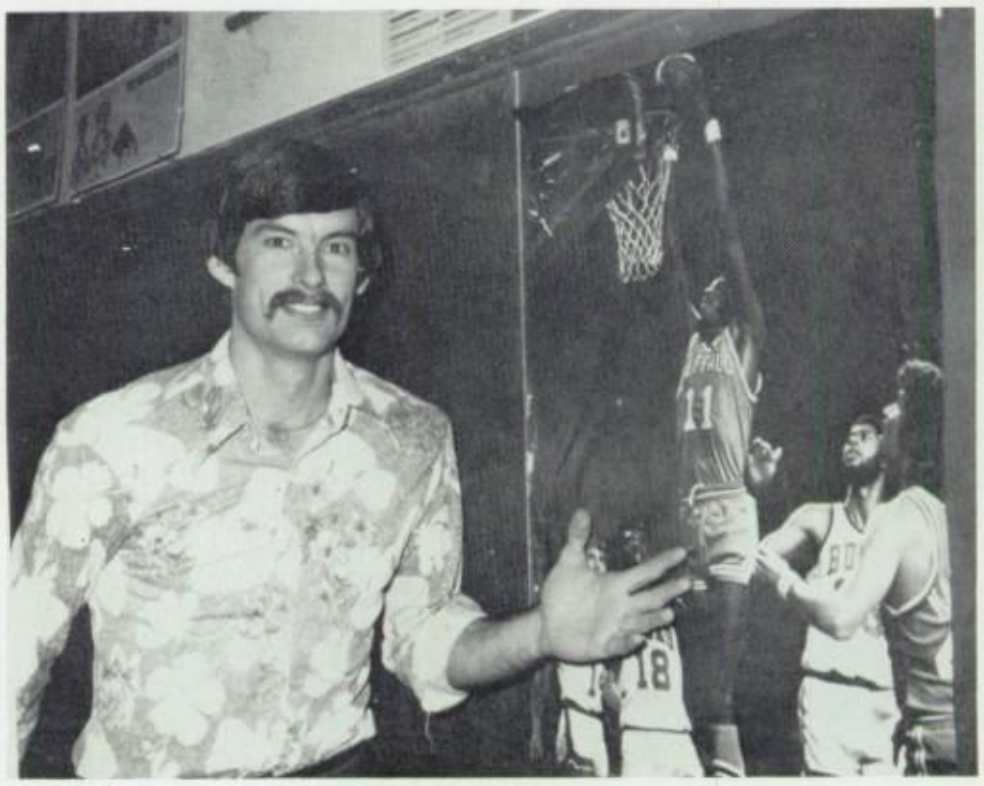
SOPHS WEATHER THE STORM

The 1977-78 sophomore basketball team learned the true meaning of a tight conference race.

The Sophs, coached by Lyle Pearson, ended the season with an 8-10 record, although several games were quite close. Leading the Bengel offensive effort were Rod Merriam and Don Deslauriers while the boards were controlled by Jon Zwanziger and Rick Allerdings.



Coach Lyle Pearson shows the finer points of the game to his troops.

MUCH IMPROVED SEASON FOR GIRLS' TRACK TEAM

The 1978 mile relay team included: Kellie Winters, Diane Holm, Sandi Schaffer and Carolyn Burnison.

The 880 relay team displays their form for 2nd place in the State Meet.

Below, transfer Ann Buckingham, center, races for a 1st place finish.

It was a year of thrills, spills and broken records, as the Huron Track Team struggled through a tough season under the direction of new track coach LeRoy "Buzz" Stevenson. Mr. Stevenson coached both the boys' and girls' track teams for the first year. He received a lot of help from first year coach Mark Wendelgass and other coaches: Steve Swisher (long jump, high jump), Bobby Dubs (hurdles), Don Williams (pole vault), Roger Loecker (long distance), Bob Timm (shot) and Dean Slostad (discus).

Ten records were broken at different track meets throughout the season. Individual events were broken by JoLynn Kludt, 100 Yard Dash (11.3), Vickie Coyle, Mile Run (5:37.7), Ann Buckingham, 110 Yard Hurdles (16.0), 180 Yard Hurdles (25.9), Donna Podhradsky, Long Jump (16'5"), Bonnie Feller, High Jump (5'2"), Paula Konst, Discus (109'2").

Many relay times were chopped down to some of the finest times in the State. Many times they were ranked in the top ten. New records were set in the 880 Yard Relay with a time of 1:47.5 by Kellie Winters, Ann Buckingham, Bonnie Feller and JoLynn Kludt. The clock was stopped at 10:06.78 with the help of Sandi Schaffer, Diane Holm, Diane Burnison and Carolyn Burnison in the Two Mile Relay. Donna Podhradsky, JoLynn Kludt, Kellie Winters and Carolyn Burnison set a record in a new event the mile-medley relay with a time of 4:28.92. The 440 Yard Relay of Kellie Winters, Donna Podhradsky, Bonnie Feller and JoLynn Kludt broke the old record with the new time of :51.7.

Every track meet found Huron out on top, usually finishing in the top four teams. A couple of duals were won at the beginning of the season. Huron started out the year with a clean sweep in a Triangular held at Tiger Stadium. They then beat Mitchell in a dual meet 86-38. Huron's first loss was to Pierre 63-61. Other major track meets the girls competed in were Corn Place Relays, Watoma (4th), Madison Relays (2nd), Huron Invitational (3rd), E.S.D. (4th), and Regionals (3rd). They placed 7th in the State Meet in Rapid City.

Ten girls qualified for the State Meet May 27th and 28th: JoLynn Kludt, Donna Podhradsky, Bonnie Feller, Ann Buckingham, Kellie Winters, Diane Burnison, Sandi Schaffer, Diane Holm, Dawn Hindbjorgen and Carolyn Burnison.

Girls' Track Team Members were, front row: Diane Burnison, Paula Peppers, Kathy Prue, Diane Holm, Vanessa Gose, Lori Eilers. Second row: Donna Podhradsky, Sandi Schaffer, JoLynn Kludt, Kori Sondreal, Sherry Hofer, Dawn Hindbjorgen, Donna Holm. Third row: Julie Halter, Bonnie Feller, Kellie Winters, Sandy Lanam, Julie Hintz, LeAnn McFarlane. Fourth row: student manager, Debbie Castle, Vicki Coyle, Carolyn Burnison, Patti Osborn, Laurel Wipf, Ann Buckingham and Paula Konst.

Paula Peppers raced for the next hurdle.

String-holders Beth Harter and Dawn Scheele took time out for a quick picture.

Below, the two-mile relay team practiced for the regional meet. They were: Carolyn Burnison, Diane Holm, Diane Burnison and Sandi Schaffer.

An injured Vicki Coyle posed for the camera after breaking the mile-run record.

Mile runners Dawn Hindbjorgen, Diane Burnison and Sherry Hofer try to work their way up to the head of the pack.

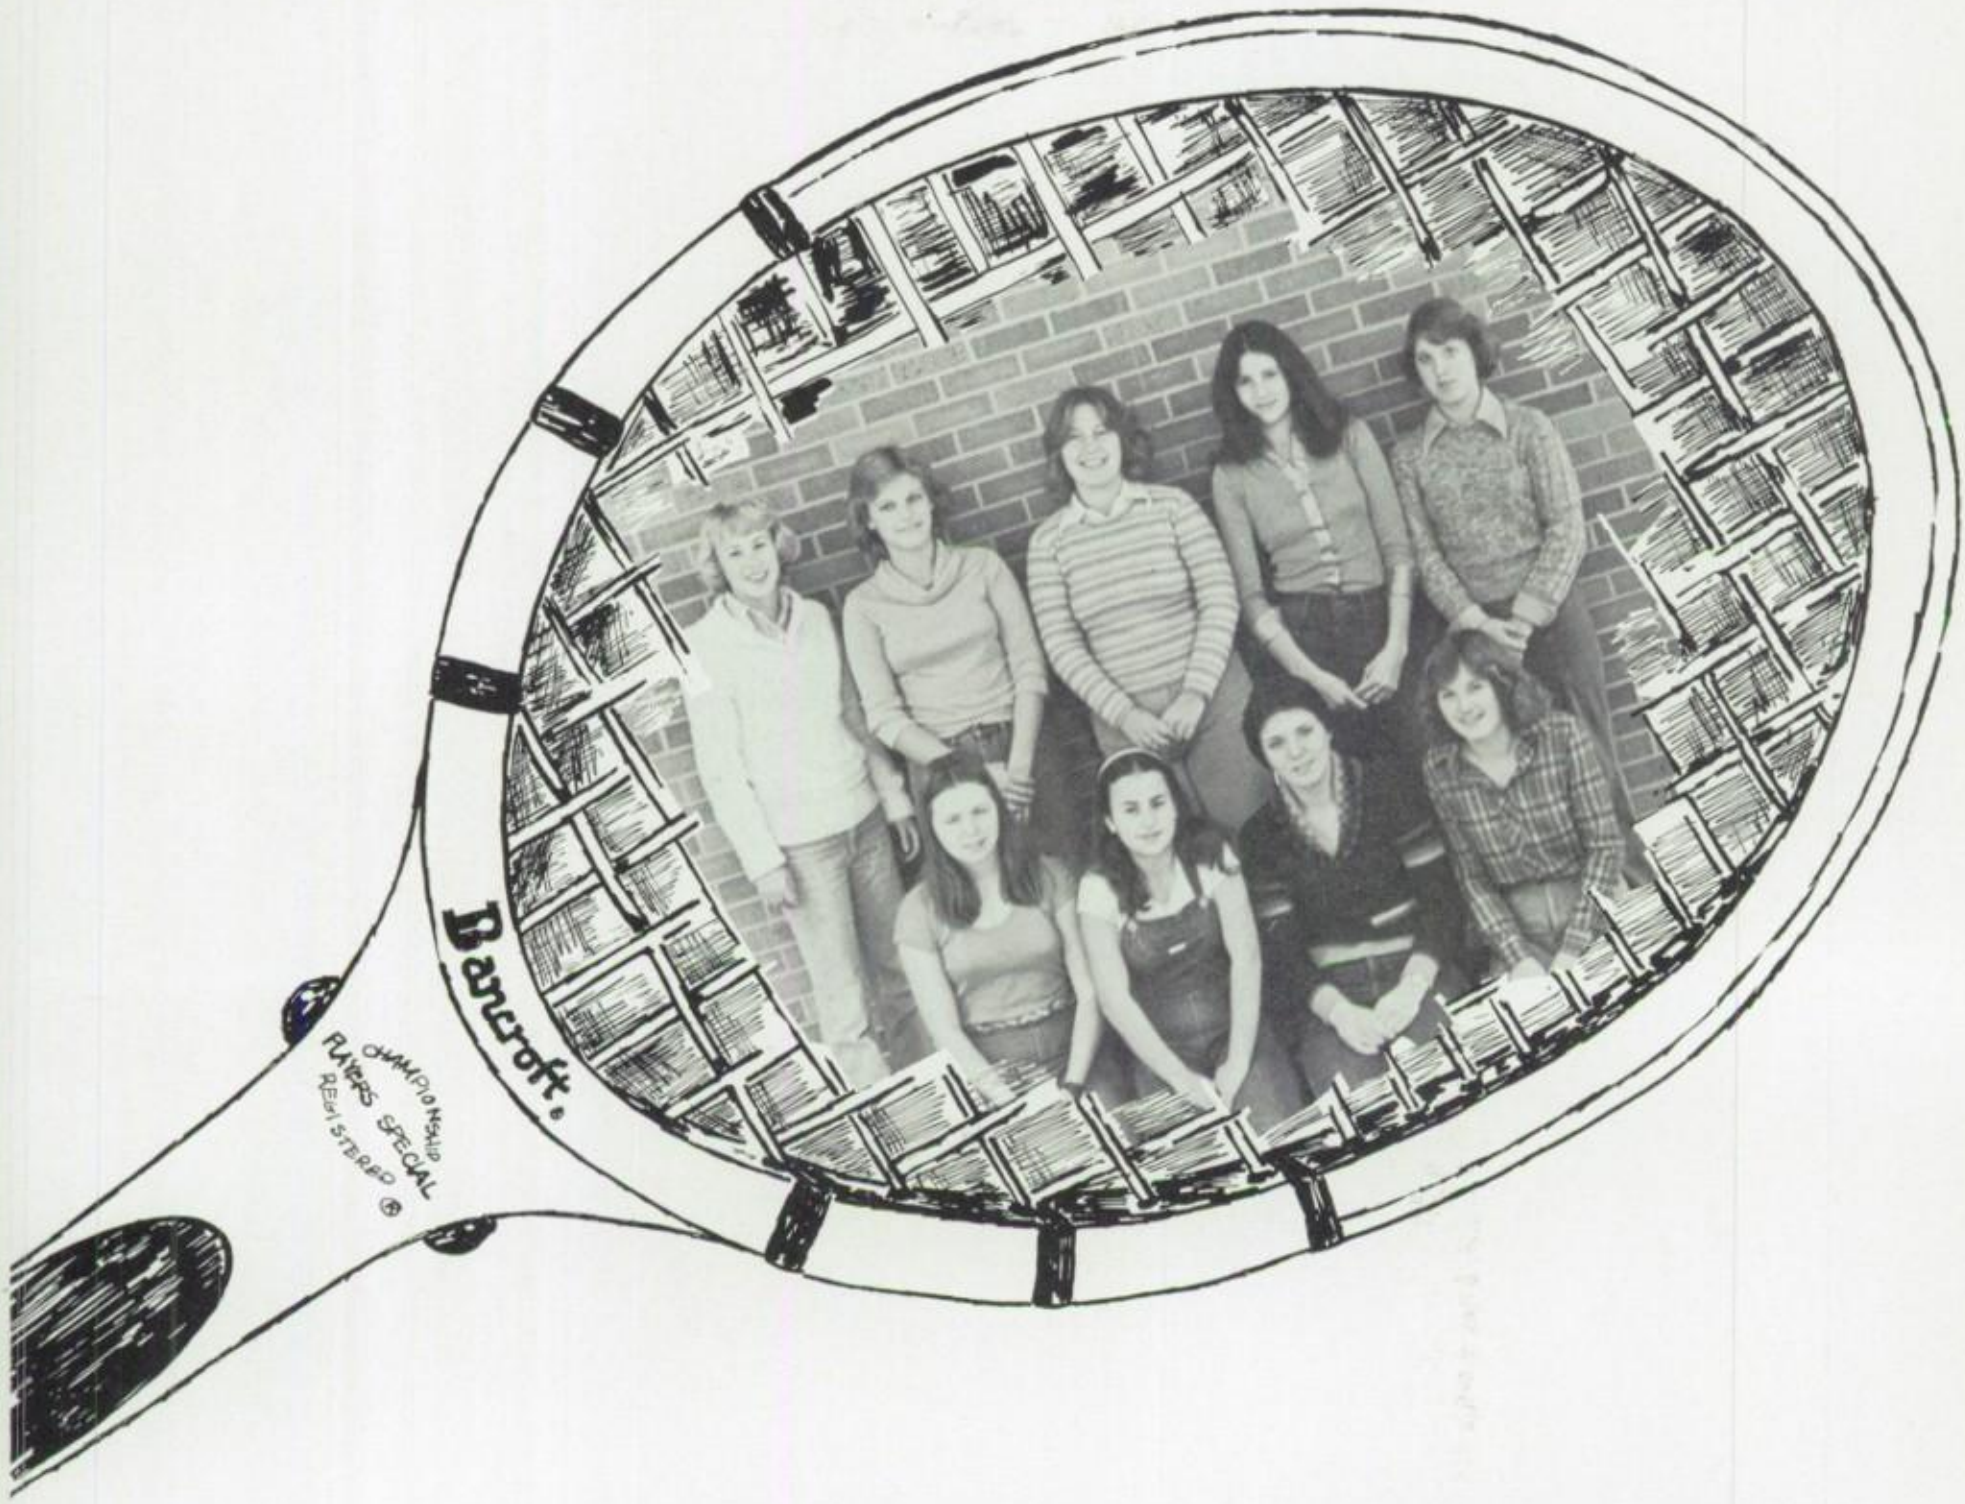
TIGERS NET THIRD

1977-78 tennis team members were, kneeling: John Hoyt and Todd McGillick. Standing: Dan Hicks, Tom Fullerton, and Dave Englert. Not pictured is Jim Schneider.

The Tiger tennis team, coached by Hank Hulst, taunted their opponents this season. Although the netters were young, they were not without experience. While not a powerhouse, the team depended on consistency and a sharp competitive edge to nose out their opponents in clutch situations. A fine third place finish in the ESD meet capped the season. Next year's outlook sparkles, with the entire varsity team returning, and some excellent junior varsity players looking to earn a spot on the varsity squad.

Court Jesters Stroke to a 4-5 Mark



The 1977 Tennis Team members were: front row, left to right: Jackie Halter, Lisa Contreras, Mary Busch and Cheryl Middaugh. Back row, left to right: Kim Bergman, Michelle Munson, Beth Harter, Patty Osborn and Kathy Jungemann. Not pictured is Tiger Coach Hank Hulst.

Seasons come and go. This was one of those seasons for tennis coach Hank Hulst and his netwomen. After coming off a rebuilding year in 1976, the court jesters could only compile a 4-5 record in 1977, with wins over conference foes Mitchell and Watertown.

Seniors led the team this year with the top four single spots going to Kim Bergman, Patty Osborn, Michelle Munson and Beth Harter. The other spots and exhibition games were played by Lisa Contreras, Cheryl Middaugh, Jackie Halter, Kathy Jungemann and Mary Busch.

Leading the way with a good showing, Patty Osborn finished second in her flight, in the ESD conference meet in Aberdeen. Kim Bergman, Michelle Munson, Beth Harter and Patty Osborn all attended the State Meet in Sioux Falls coming home in the top ten.

GOLFERS HAVE SUCCESSFUL SEASON

Tiger golf team members for 1977-78 were, kneeling: Glen Herrick, Bruce Tschetter, Jim Entwisle. Standing: Tim Flanery, Kevin Dietz, Alvin Haugen, Peter Melby, and Greg Houge.

The Huron Senior High School golf team, coached by Hobe Richards, Sr., completed a very successful season. As the season progressed, the linksters proved to be too much for their ESD conference opponents. Devoted practice, consistent effort, and standout performances by senior Jim Entwisle enabled the Tigers to successfully defend their ESD crown. The golfers also capped the season with a very respectable 5th place finish in the state golf tournament. Next year's outlook is very bright with six lettermen returning to the team.

GOOD SEASON FOR GIRLS' GOLF

The year's girls' golf team was, front row: Lisa Masters, Joan Richter, and Jodi Berg. Second row: Coach Hobe Richards, Sherri Schoepf, Shelley Teller, Susan Schoepf, Nancy Heuston and Jody Kludt. Not pictured: Kellie Walker, Wendy Berg and Kristi Balvin.

Under the direction of veteran coach Hobe Richards, the girls' golf team had a good year. The weather was cold, wet and windy but the girls didn't let that stop them as they won many duals and finished high among the other talented teams in the state.

Six letter winners were back on the course the first day of practice. They were Nancy Heuston, Shelley Teller, Jodi Berg, Sherri Schoepf and Susan Schoepf. Other golfers were Joan Richter, Jody Kludt, Kristi Balvin, Wendy Berg and Kellie Walker.

The season started off great with an easy victory for the girls. They defeated Mitchell 187-231. Traveling to Brookings it was another easy one as they stopped Brookings 414-486. Back on the home course it was Huron coming out on top again beating Aberdeen 200-306. This time Brookings traveled to Huron but the result was the same: Huron won 286-344. The girls traveled to Madison on May 15 and came home with a second place finish in the E.S.D. meet. A triangular was held at Mitchell with Huron out scoring Mitchell and Winner 183-227-233. Competing in the State Meet in Watertown, the girls brought home a sixth place finish.

CHEERLEADERS SPARK HHS

The 1977 Football Cheerleaders were, front: Tanya Harris, Gail Sanderson. Back: Nancy Olson, Teresa Malikowski, and Shirley Andol.

This year's cheerleaders were made up of four individual squads. Girls' basketball cheerleaders tried out in the spring and boys' basketball cheerleaders tried out in the fall. During the summer, the girls held a carwash and a bake sale in order to raise money for camp. In July, the girls packed and set out for cheerleading camp in Bemidji, Minnesota. There they learned cheers, chants, and routines to bring home to the Huron fans.

ATHLETIC TEAMS TO VICTORY

The 1977 girls' basketball cheerleaders were, top to bottom: Sherry Lusch, Gerri Solon, Elaine Goslee, and Rhonda Anderson.

The cheerleading trip was highlighted when the girls' basketball squad earned themselves a third place award. The football cheering squad earned a fourth-place award, and the dynamic squad award. All in all, it proved to be a successful and exciting year. Faculty advisor was Monica Miller.

Administration Keeps Pace Educationally

Members of the Board of Education during the 1977-78 school year were: Dwayne Breukelman, Robert Rademacher (vice-president), Ronald Manolis (president), Neil Koch, and Dennis Olsen.

The attention of the 1977-78 Board of Education centered largely on difficult issues. The five-member board, elected by the residents of the district, considered issues and made final decisions which they felt were in the best interest of Huron's approximately 3000 public school students.

Among the many issues the board discussed was the topic of school transportation. They debated whether the existing policy should be maintained and supported. Also the board discussed how the school district should spend the federal EDA (Economic Development Act) money. The board made decisions on improvements for the Jr. High Home Economics Department and the Helen Buchanan School for the Handicapped.

Dr. Lloyd W. Turnwall, Superintendent of Schools, and his assistants are researching the continual dilemma of adequate funding to operate a school district of this magnitude.

Other key positions in the administration of the school district's business were held by Robert Taylor, assistant superintendent, Milton Walsh, clerk of the district and manager of the Huron Arena, and Eldon Dahl, district treasurer and assistant arena manager.

PRINCIPAL'S MESSAGE

This is the thirteenth time I have written this message—seniors you started in kindergarten the year I became the principal here.

Together, we have seen many school changes—a new senior high school building, additions to elementary schools, renovations in the junior high school, new academic programs, a new modular scheduling system, students and teachers forever changing, finally new vocational courses and a new vocational facility.

But, 1978 will again be the beginning of "new" programs for graduating seniors. Your elementary and secondary school days are ended—your post high-school days are beginning. School, work, marriage, the service—whatever this year brings—it is important to remember that your thirteen years of school are only one phase of your continuing education.

Education begins at birth—and ends at death—and school is only a small part of the never ending process.

We hope you will continue to grow educationally—and that in time to come you will have fond memories of the years spent at Huron Senior High School.

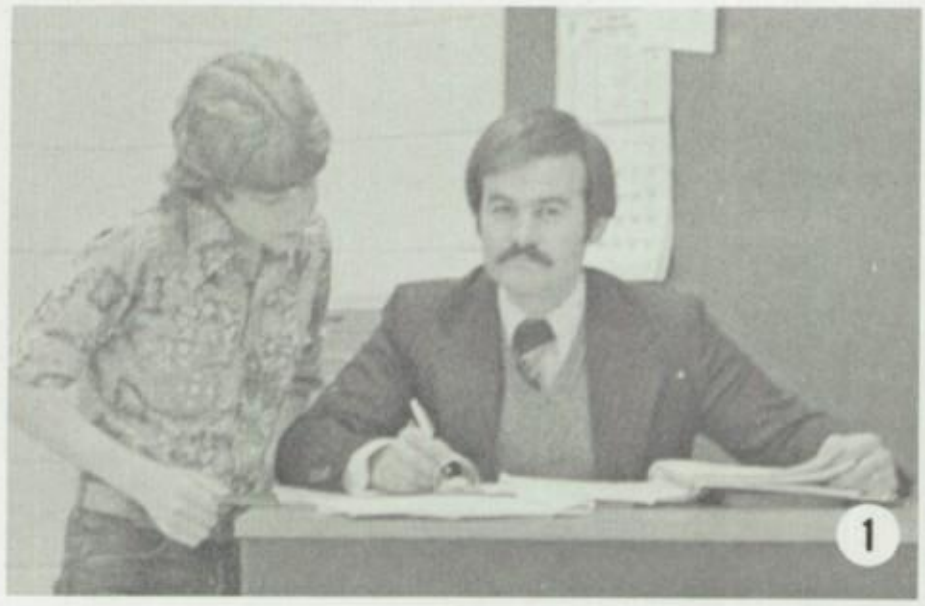
MODERN BIOLOGY

SOCIAL SCIENCES . . . A WORLD OF INTERESTS



1

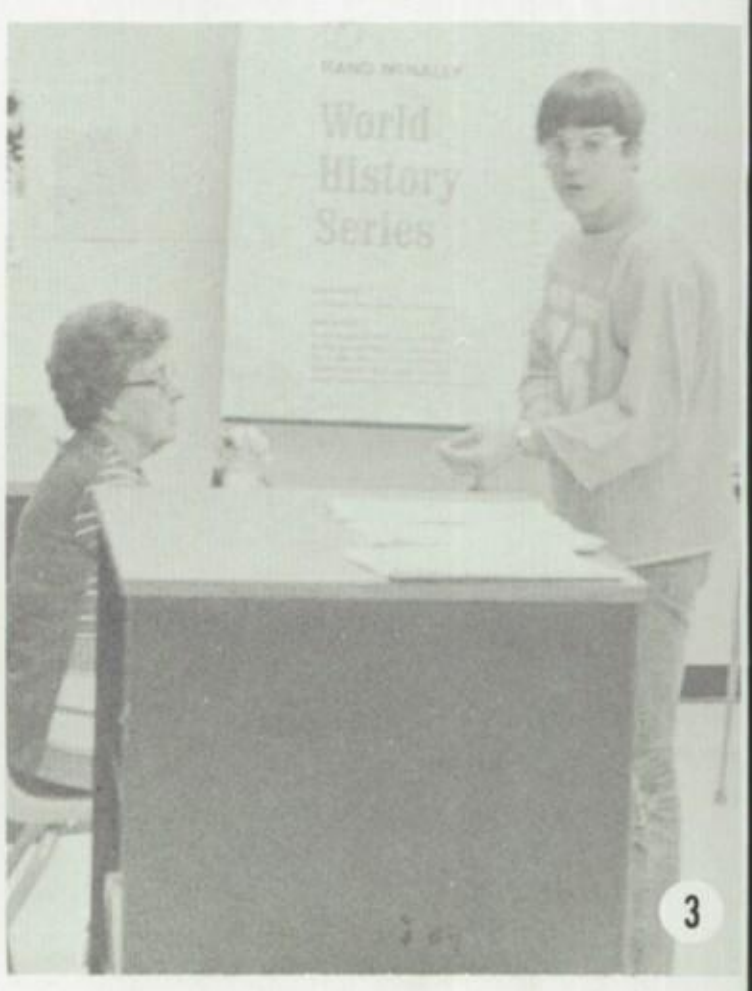
Students, through two types of history, reflect on their own nation plus the changing world. World History is optional and is open to any who wish to learn more about their world. American History, required of juniors, gives students an eventful look at our nation's past. Seniors, who are required to take Democracy and Free Enterprise, go on to learn about how our nation is run from county-level to a nation-wide basis.

In another course, Contemporary Affairs open only to seniors, covers the most current happenings.

To get a better idea of what different jobs are like, the course Career Experiences is offered to all students. They learn about jobs in class and by visiting certain places to see what the jobs are like. Another career-oriented class is the Teacher's Aid Seminar which introduces juniors and seniors to what the field of teaching is like.

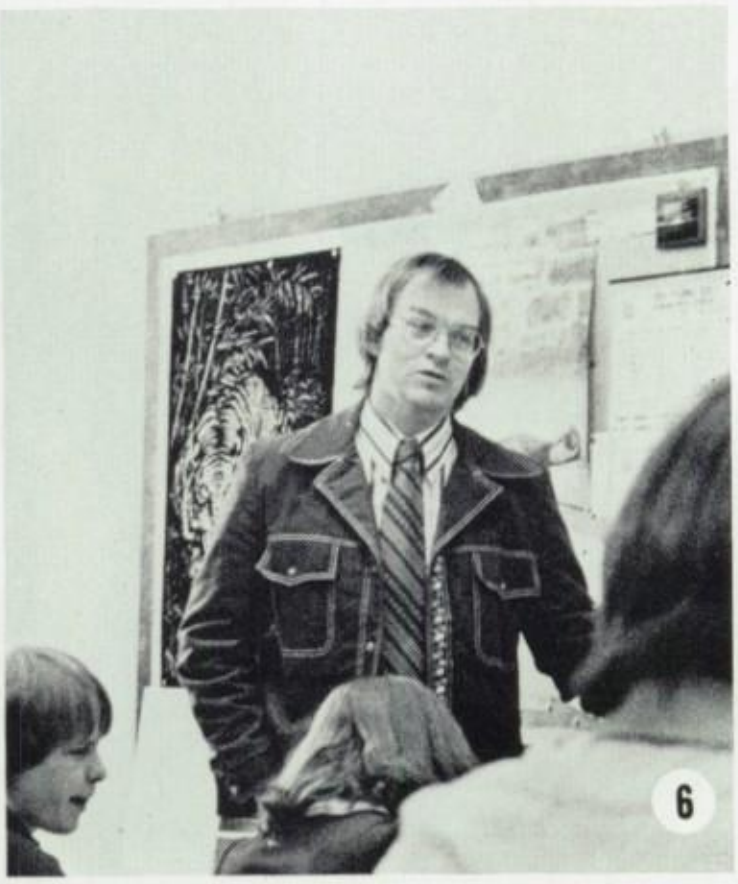
2

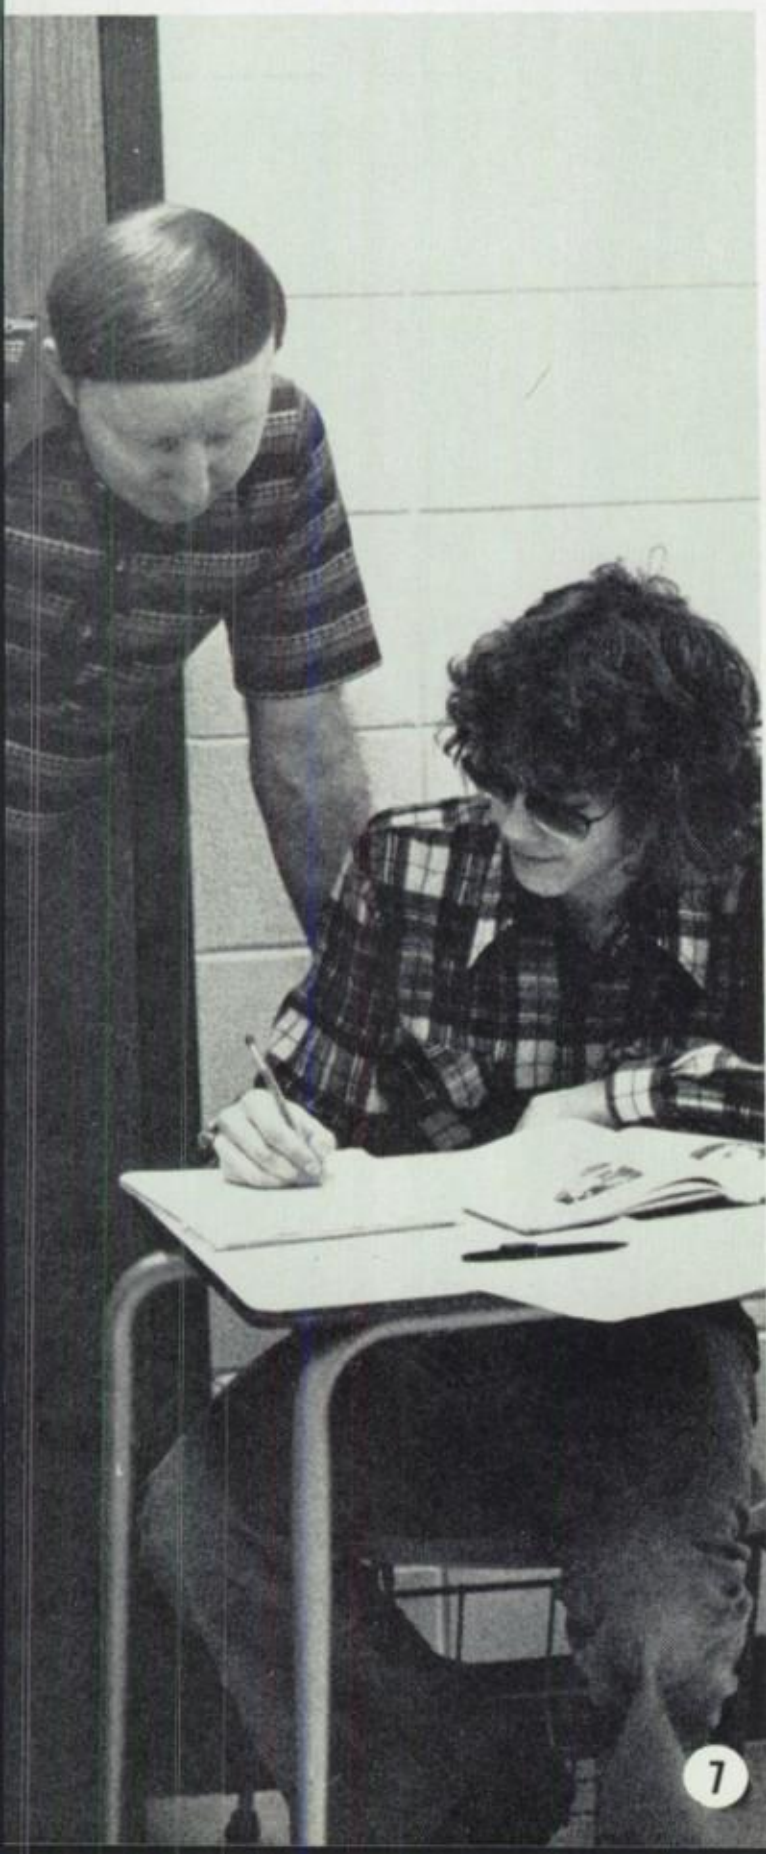
Two other classes being offered to all students are: Psychology—why people feel the way they do and Sociology—how people interact in groups. Students learn more about themselves and those around them through these optional courses.



3

1. " . . . and thats the way it was . . . " quotes Mr. Friesen.
2. Mr. Grube asks, "Now how many have their assignments done?"
3. "Oh, well its like this . . . " Jim Westerberg tries to explain to Miss Vangsnes.
4. "Wow, the first yearbook with a girlie section!" Matt Denison exclaims.
5. "Government is fun!" says Kim Korthals to Mr. Penning.
6. Mr. Peters tells his psychology class that clothes reflect one's personality.
7. Mr. Stevenson helps Bob Thomas learn the facts of American history.





SCIENCE AND MATH ENLIGHTENS

1. Mr. Peters explains to Kellie Feller the basics of calculus.
2. Mr. Wold laughs as his class chants, "One, two, square root of three."
3. Patty Bryce pretends innocence as she thinks up a new formula for some unsuspecting victim.
4. Terry Stinehart concentrates on his biology question.

STUDENTS' MINDS

The mathematics and science departments in HHS help many students prepare for college.

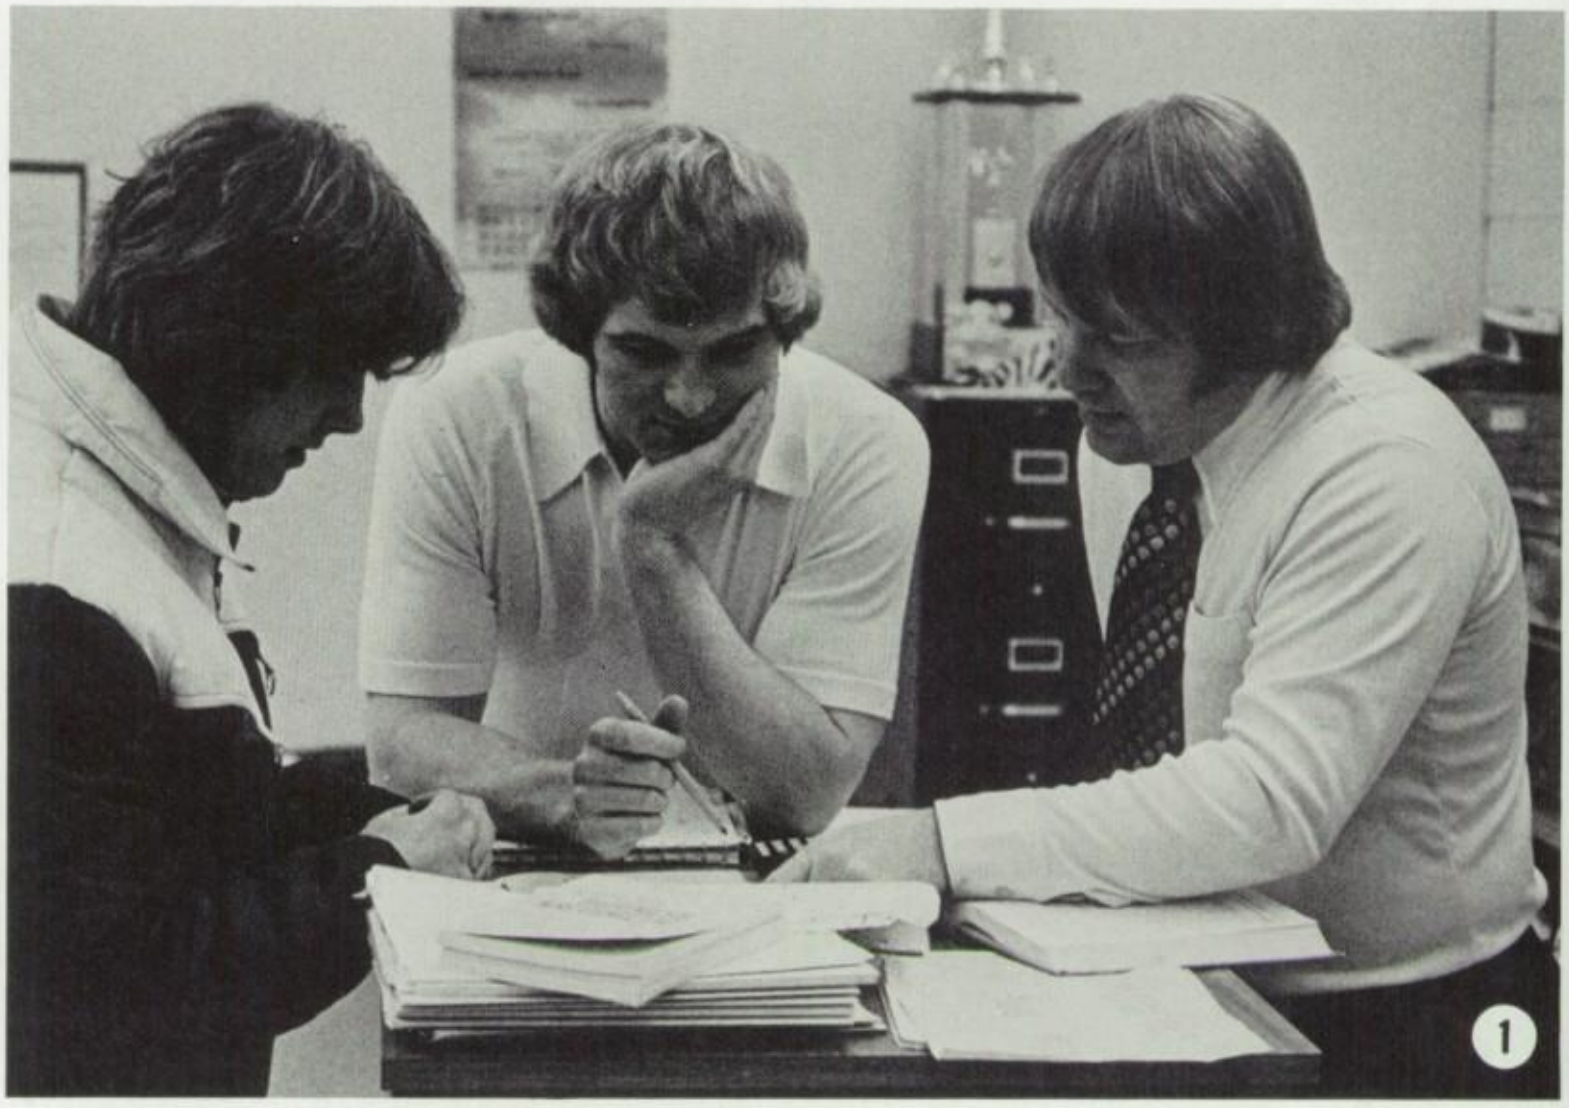
Algebra II, geometry, and college algebra and trigonometry advance the student mind in mathematics. For those who could work beyond the scope of the above subjects, senior math was offered.

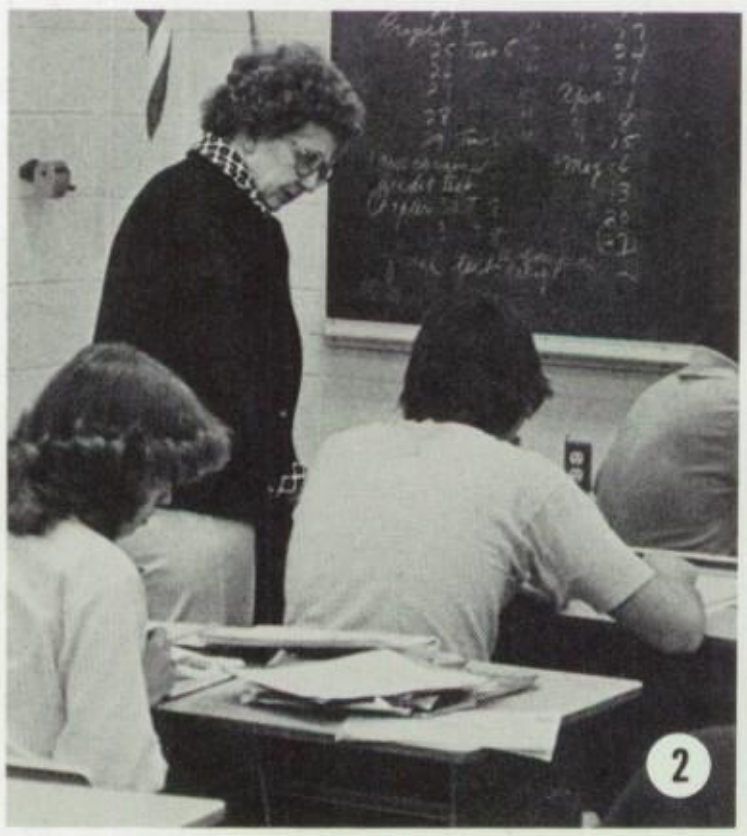
Biology, which is required of all sophomores, taught the qualities of life and all life functions. For those who wished to continue in science, chemistry, advanced chemistry, advanced biology, and physics were offered.

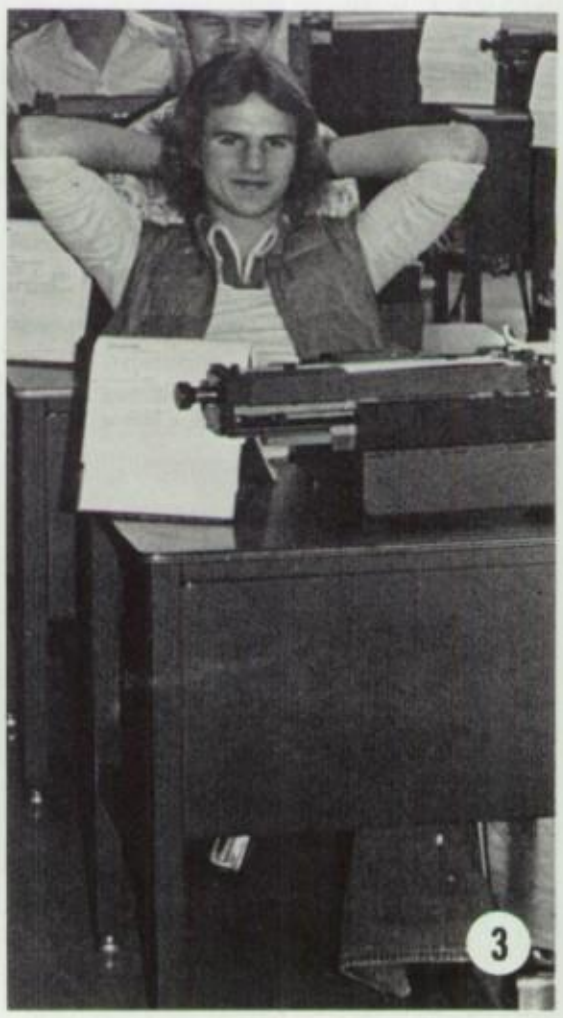
By combining these subjects with others offered by HHS, a student could get a well-rounded education.

1. Mr. Steven's jokes bring forth varied reactions: John Bell falls asleep and Frances Gross laughs.
2. Phil Job and Dave Graham experiment with acids and other chemicals in chemistry class.

COMMUNICATION SKILLS IMPROVED THROUGH BUSINESS, LANGUAGE COURSES







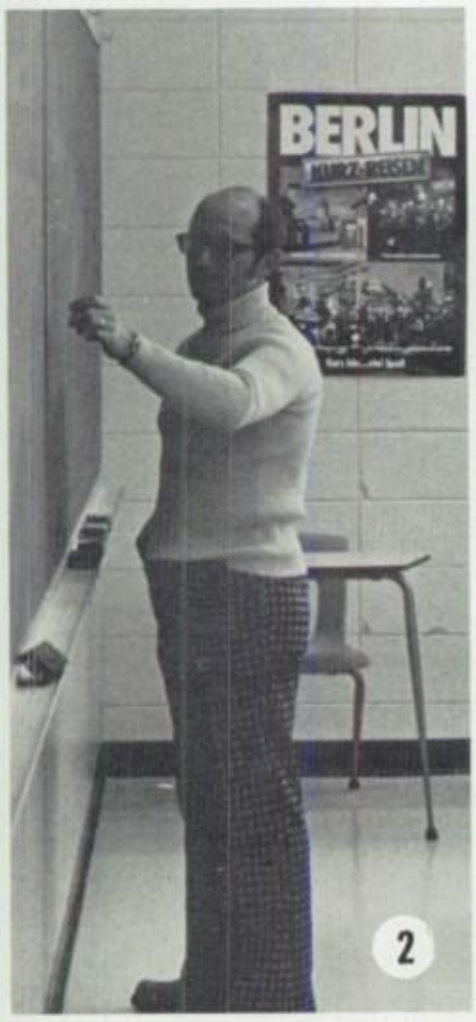
1. Mr. Hoff and Student Teacher, John Blanchard, ask with puzzled expressions, "How do you do this, Todd?"
2. Mrs. Wilson supervises her accounting class.
3. The rumor that Scott Breck has fast fingers is obviously untrue as he takes a break during typing.

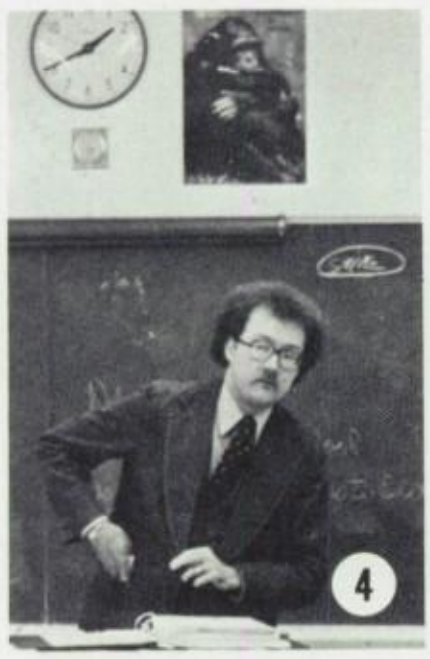
All sophomores are required to take English 10. This course gives the basics of literature, exposition, and library skills. Juniors are required to take American Literature and seniors have a choice between British Literature or Survey of English Literature.

Other courses are offered to balance out the English education of the students and give them their three credit requirement in English. These courses include Forensics, Journalism, Creative Writing, Exposition, Language in Living and Learning, Business Communication, Speaking Out, Reading Improvement, and Drama.

For students who are interested in a foreign language, Spanish and German courses are available. Both can be taken for four years.

The business department at HHS prepares young men and women for the business world. Typing is offered to all students at Huron High. Personal and school typing skills are stressed in this course. Shorthand, Accounting, Business Law, and Business Math are offered only to juniors and seniors. For seniors who wish to continue in Accounting, Advanced Accounting is available. These courses give the fundamentals of business to students who wish to continue their education in the business field.





1. Mrs. Mueller and Kelly Curry laugh at Pam Mason's Spanish joke.
2. Mr. Reimer explains the fundamental sounds of the German language.
3. Oh no! Not **GUS AND SOL** in motion pictures!
4. What's Mr. Holmquest doing now?

THE ARTS GIVE

The new Vocational Building, across the street from the Senior High, was put to use during the school year. Some industrial arts and agriculture classes met at the new building.

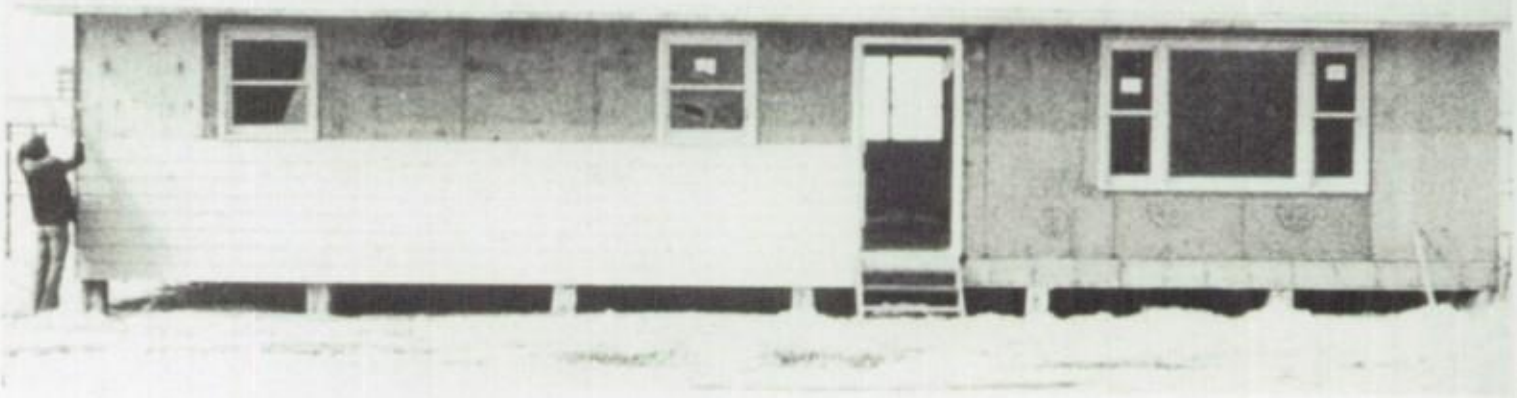
Industrial arts help the students to develop skills that makes use of both the hands and the mind. Drafting I and II and architectural drawing gives each student insights into the world of architecture. Wood I and II, Metal Shop I and II, home mechanics, basic electricity, and power mechanics gives the student a chance to work with his or her hands and understand the fundamentals each course offers. Building trades and automotive are also offered and open to juniors and seniors.

For those who wish to go into the agriculture field in the future, courses such as animal science, crops and soil science, agricultural mechanics, agricultural production management, horticulture, and natural resources are offered. Off-farm agricultural occupations are also taught.

Roby Taylor finishes his wood work.

Mr. Bowar shows Lewis Miner the rules of "Bowar Power."

Gaylen Roth concentrates on his work in auto shop.



Building Trades class constructed a house as part of their course work.

STUDENTS NEW INSIGHTS

Jeff Dicks and Pamela Kuehl help underclassmen discover their abilities.

Mrs. Korthals listens as Vennet Hofer pours out her problems.

"Now I lay me down to sleep . . . "

"I hope I can unstitch my finger from this blouse," murmurs Elaine Goslee.

Home Economics is offered to all students in HHS. Home Economics 10 is a comprehensive Home Ec. course. Home Economics Mini Courses are several 3-4 week units covering nearly every aspect of home life. Tailoring and Your Home is an advanced course in sewing and home decorating. For senior students who are interested in food preparation and public consumption as an occupation, Assistant Cook's Training is offered. Child Care Training is available for students who are interested in young children. This course prepares students for parenthood and for a career in working with the very young.

Art courses such as Crafts and Contemporary Art are open to all the students of Huron Sr. High. Art Analysis is open only to juniors and seniors. Senior Art Seminar is a self-paced lab in which students select the areas where they wish to work.

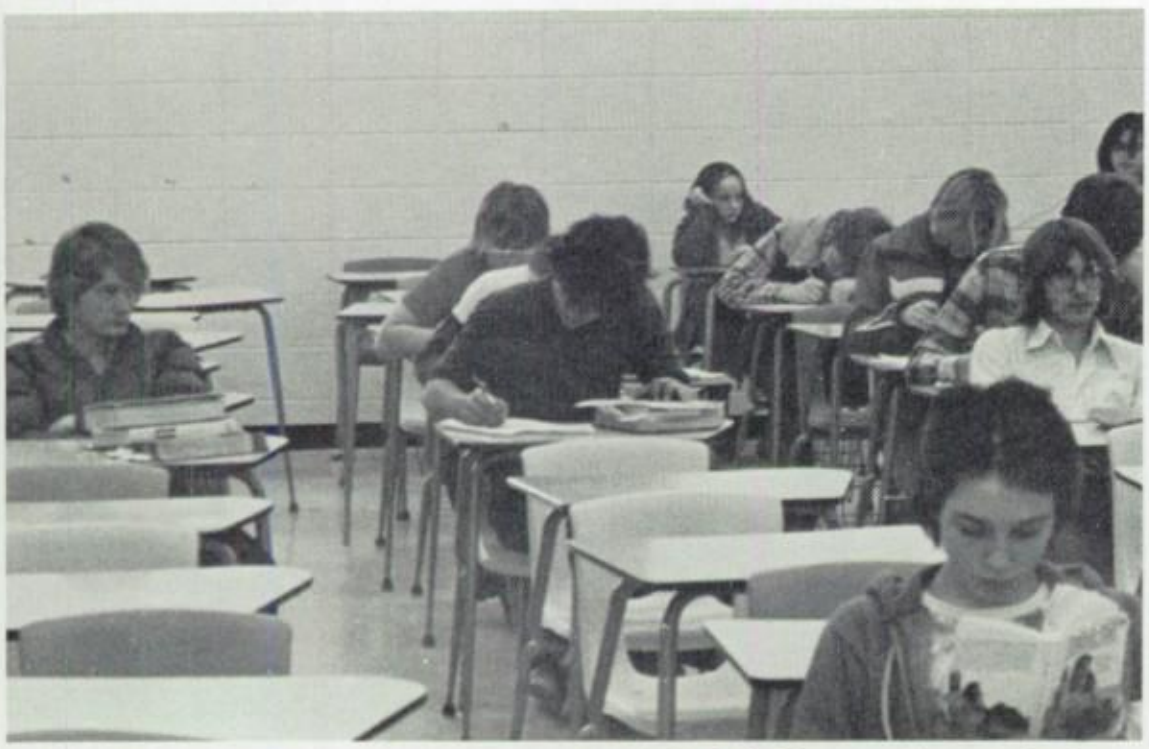
STUDENTS GAIN RESPONSIBILITY THROUGH IST

Greg Houge uses the VIEW screen while David Graham checks his answers.

Phil Job, Frank Schumacher, Loren Clifton, Scott Perrenoud, and Karen McLinn gather data for the guidance counselors.

The students of HHS are enjoying a gourmet meal and relaxation.

Sherri Schoepf and Brett Best study while Jeff Baseley relaxes in the serene atmosphere of the library.



B-105 was turned from a student lounge to a study hall. Here, students study during their IST.

Todd Starnes and Mrs. Butler look thoughtfully off into space.

During their Individual Study Time (IST), students found the library and the resource center good places to study.

Students found a quiet atmosphere in which to study in the library. The library also offered research materials and fictional books for student and faculty use.

The resource center doubled up as study hall and a place to go during IST. It offered English and social study materials which the students might check out and use overnight.

There were two changes at HHS this year. The student lounge and the commons as a study area were eliminated. Although the students missed these areas, they found school life just as enjoyable as before.

SENIORS 1978

To every thing there is a season, and a time
to every purpose under the heaven:
A time to be born, and a time to die; a time to plant,
and a time to pluck up that which is planted;
A time to kill, and a time to heal; a time to break down,
and a time to build up;
A time to weep, and a time to laugh; a time to mourn,
and a time to dance;
A time to cast away stones, and a time
to gather stones together; a time to embrace,
and a time to refrain from embracing;
A time to get, and a time to lose; a time to keep
and a time to cast away;
A time to rend, and a time to sew; a time to keep silence,
and a time to speak;
A time to love, and a time to hate; a time of war,
and a time of peace . . . .
